The Conference will draw from the church bank account monthly via ACH on either the 2nd or the 15th or the first business day after if those days should fall on a weekend/holiday.

- (1) Plan cost paid by the church for the covered individual based on the plan type.
- (2) Premium due to the church from the employee this is paid via payroll deduction. This amount reduces income (i.e., is pre-tax) **provided the church/employer adopts the West Ohio Conference Flexible Benefit Plan (Section 125 Plan) or another Section 125 Plan unique to the church/employer.** For 2022, individuals received a slight increase due to a shift in the cost sharing of overall premium.
