Immunity to Change Training July 13 and 27

How do you respond to change? Do you run to it? Do you run away from it? Or do you just pretend it's not happening? You might say, "it depends." And you'd be right. Change is both psychological and sociological, and we all have to deal with it. The question is *how is your change strategy working for you?* If you're wanting to change how you live with change so that it makes a positive difference in your life, then join me for our upcoming **Immunity to Change** training on **July 13th** at **Amlin UMC** in Columbus. You'll discover for your own hidden responses to change that keep it from working for you and keep you working against it. You'll discover adaptive solutions that makes change sticky and -- dare I

say -- less painful. This training will change how you deal with change. Everyone encounters change, so this training is open to all who desire to generate positive life change. [You can register here.](#) See attached flyer for further registration and training details and share freely with those you care about. Then, plan on attending *Immunity to Change* part two on **July 27th**. Part two addresses organizational change. Bring your church leadership team to equip them with a new change strategy for what's coming next.

Laity Discernment Retreats

Do you feel God's call on your life but are uncertain how to discern that call or what to do next? If so, then this is the Retreat for you! At the Laity Discernment Retreats, we will talk about call, discernment

and what it means to be "called by our baptism". We will learn ways to intentionally enter into a time of prayer about discernment and we will discover Spiritual Rhythms that can help guide our journey. We will also discuss the variety of ways Laity can serve both in our churches and in our communities. Each retreat kicks off with an 8-hour Saturday session followed by a 3-hour session approximately six weeks later. In between the two sessions, there will be opportunities to read, reflect, and practice Spiritual Rhythms that will lead you to a better understanding of your own call.

Note: You are welcome to attend any session in any location and you do not need to attend both sessions in the same region. However, you need to attend the all-day Saturday retreat prior to attending the 3-hour follow up session.

Amplify Multi-Media Platform for Discipleship Resources

Amplify is a multi-media platform allowing churches large and small to discover, customize, and share diverse resources that encourage deeper discipleship and equip churches to pursue their mission with greater impact. It is launching very soon! I would like to extend an exclusive early access invitation to receive 50% off your church's first year of access to the newest, and perhaps the most exciting, ministry tool you will experience for some time. Church leaders know authentic discipleship is crucial to any thriving church, but in an increasingly distracted world, getting there is more difficult than ever. Churches need resources, but they have unique needs, communities, and mission focuses. To be effective, they need individualized support. One size does not fit all. Amplify is a powerful yet simple

solution that enables churches of every size to reach more people in more places with resources that share the love of Jesus and inspire faithful discipleship and service. [Learn more here](#). You can call 800.672.1789 (and select prompt #2) to speak with an Amplify consultant.

July 15 Deadline for MTSO's pledge to help UM candidates cover full seminary tuition

For a second academic year, MTSO is helping candidates for United Methodist ministry cover their full seminary tuition. MTSO has just extended the deadline to July 15 for those who wish to apply and begin school in the coming Fall Semester. MTSO's tuition pledge has two parts. First, the school's financial aid experts will assist each applicant in locating and applying for scholarships from numerous sources. Second, if scholarships from those sources don't cover an applicant's full tuition, MTSO and its donors will make up the difference – dramatically reducing the financial burden of pursuing a graduate theological degree. The pledge applies to every qualified prospective student who pursues United Methodist candidacy as an elder or deacon and applies to a master's degree program by July 15 for the 2019-20 academic year. Interested prospective students are invited to learn more by contacting an MTSO admissions counselor at 800-333-6876 or admissions@mtso.edu.
